Some Highlights of Contemporary Hebrew Dictionaries and Lexicography

This feature highlights the main monolingual dictionaries of Hebrew in Israel today – Milon Ariel (Maya Fruchtmann), Milon Even-Shoshan (Moshe Azar), Milon ha-Hoveh (Mordechay Mishor), Milon Sapir (Yitzhak Shlesinger), Rav-Milim (Yaacov Choueka) and its online version (Yoni Ne’eman, Rachel Finkel) – with an overall cross-review (Ora R. Schwarzwald), as well as the Historical Dictionary of the Hebrew Language of the Academy of the Hebrew Language along with a glossary and notes (Doron Rubinstein).

The roots of Hebrew lexicography are traced to Rav Saadia Gaon, who worked mostly in Babylonia in the early 10th century CE. His Egron (902 CE) contained nearly 1,000 Hebrew entries, and Kitab al-sab`in lafzat al-Mufrada had 70 (actually 90) entries translated into Arabic. In addition, he was the first to write an Arabic translation of the Bible.

The initiative for this focus has been generated by what is considered to be the first major monolingual Hebrew dictionary, the Mahberet by Menahem ben-Saruq, which appeared in Spain around 950 CE.

Issue Number 13, July 2005, will feature an article on the Mahberet by Aharon Maman, articles on modern Hebrew/Arabic dictionaries, and highlights of Arabic dictionaries and lexicography.

Modern Hebrew Dictionaries

Ora (Rodrique) Schwarzwald

The past decade has seen the appearance of a great number of monolingual modern Hebrew dictionaries, each with a different linguistic approach and editorial aims.

Besides these, there are dictionaries of proverbs and idioms (e.g. Lashon Rishon [First Tongue], 2000; Nivon Ariel [Ariel Dictionary of Idioms], 2001), clichés (Medabrim bi-Klisha’ot [Talking in Clichés], 2002), a thesaurus (Mila be-Mila [Word in/ by Word], 2000), rhymes (Haruzim le-Khol ‘Et [Rhymes for all Times], 2001), loan words (Leksikon Lo’azit-Yeri [Foreign-Hebrew Lexicon], 2000), lost words (Milon ha-Milim ha-Yodiot [Dictionary of Lost Words], 1996), slang (Sleng Tsva’i [Military Slang], 1994; Leksikon Shitrim ve-Ganavim [Cops and Robbers Lexicon], 1997; Sleng ve-Humor [Slang and Humor], 2003) and professional dictionaries, all published within the past ten years.

The following nine dictionaries will be the focus of our discussion, listed here chronologically with their abbreviations – first the five general dictionaries, followed by the four junior ones.

General Dictionaries

Junior Dictionaries

Ora (Rodrique) Schwarzwald teaches Hebrew at Bar Ilan University and part time at Talpiot Teachers College. She has a BA in Hebrew and Psychology and an MA in Hebrew from BIU, and a PhD in Linguistics from the University of Texas at Austin. Professor Schwarzwald has vast experience as a teacher and teacher trainer, is a member of several advisory committees on language policy of the Ministry of Education, and presides over the Israel Linguistic Society. Her publications include books on Hebrew and Judeo-Spanish (Ladino), Dictionary of Linguistics and Philology (with Michael Sokoloff, Rechov, 1992), and numerous articles, particularly concerning Modern Hebrew. She was on the advisory board of Rav-Milim and a consultant for Milon Sapir.
